Raising funds: Wood County 4-H Milkshake Barn

This is our 25th year of making hand-dipped milkshakes and 10th year in the new building. Here are some tips to make your shift successful:

- Be sure you have enough members for your shift! Have a sign-up ahead of fair week so you know who is coming and take a time slot that you know you'll have a good number of members and adults to cover. Evenings are busier than mornings. No Cloverbuds please!
- We will have visual instructions for Cloverccinos this year.
- When not busy, help other stations that are busy. But, watch for constant job hopping.
- We cannot allow solicitation, it's a fairgrounds rule.
- Ideas of what to do when your club is not busy: laundry; clean your station and anything else (walls!); wipe outside counters and windows; refill napkins, straws, cups; pick up trash and empty trash cans (wash hands again after!); refill freezers and refrigerators

Opportunities to help beyond your shift.

- Sign up for a GroupMe text for last minute help during fair week when a club is extra busy.
- Sign up to help with cleaning after closing. Or, show up during fair week around 10:00pm!
- Sign up to be shift supervisor
- Volunteer to work a shift during the National Tractor Pulls
- Visit cloverlegacy.org/milkshakevolunteer to let us know what you are interested in doing!
