

Inspire Kids To Do GRANTS

Get up to \$500 for a any project that fits under:

Head

Learn from a speaker, field trip, workshop, conference, or any project or event that is educational in nature, designed to further knowledge in a specific area.

Heart

Create an opportunity for public speaking, a mentorship program, a committee that plans the club's meetings for the year, or any project or event that will enhance leadership skills and opportunities for youth.

Hands

Initiate a community service project, collaborate with local charities, or develop a project that will address a need in the community.

Health

Launch a wellness challenge that encourages healthy habits, host a workshops on topics like mental health, exercise, nutrition, the environment, first aid or any project or event that will address health, wellness, or environmental concerns.

Application and full instructions at cloverlegacy.org/inspirekidstodo

- 1. Brainstorm ideas with your club or a committee lead by an older member.** Ask members for ideas in relationship to places they've visited, other groups they are a part of, what they are passionate about, something related to the fair or 4-H projects, and more. Consider the four H's. Maybe an idea is sparked by a previous experience of your club or club members.
- 2. Have leader or committee present ideas to the club.**
- 3. Discuss and vote on your project.**
- 4. Apply!**

CRITERIA

- The project must benefit northwest Ohio.
- The project must be planned and executed primarily by 4-H members with guidance and assistance of 4-H advisors.
- May apply for not more than \$500 and can only apply for one grant per calendar year.
- Clubs or team members must work a minimum of one shift in the Milkshake Barn.
- Applications will be due April 30, June 30, or August 30 each year. Grants are reviewed and awarded shortly after each deadline.
- 10% of milkshake barn profits are earmarked for grants and awarded on a first come, first serve basis.
